

Is a container direct solution right for you?

A container direct shipment is a high volume drop ship from our FDA registered overseas suppliers to your warehouse.

We can provide container direct solutions in Cypress brand in the following categories:

- Gloves
- General wound care
- Personal protective equipment (PPE)
- Durable medical equipment (DME)
- Kits, trays and ancillary care items

We offer container direct solutions in private brand. For a full listing of items which are able to be private branded, please visit: <http://www.cypressmed.com/private-label-medical-supplies/>.

JUST A FEW OF THE BENEFITS CYPRESS PROVIDES WITH A CONTAINER DIRECT SHIPMENT:

- Longstanding strategic relationships (25 years or more) with FDA registered overseas suppliers
- Rigorous overseas quality testing before shipment
- Volume purchasing provides lower product acquisition costs
- FDA and customs documentation experts
- Unpacking and palletizing services are available

For additional information, please contact your Cypress Medical Products Account Manager at 800.334.3646 or www.cypressmed.com.
